

# Take Off the Mask!

# Put On the Veil!

Heard about Life Coaching? Come experience Christian Coaching for yourself.

During this two hour workshop we will explore together the things we hide behind that keep us from being "real". We will ask ourselves what our true values, desires, and passions are.

Through this powerful experiential format we will catch a glimpse of our true identity in Christ and learn what it means to live authentic lives.

**There is no charge for this workshop, but a free-will offering will be taken.**

Three opportunities (**Limited space available**) will be offered beginning November 11, 2009. Call now to reserve your spot or to book this workshop for your group, contact Marian at 556-1013 or e-mail her at:
